

PERMIT APPLICATION: NRS #08.021

APPLICANT: Jim Grout
Sholodge, Inc.
130 Maple Drive North
Hendersonville, TN 37075
(615) 264-8000

LOCATION: Project is located in the southeast quadrant of the intersection of Indian Lake Blvd. extension and Maple Drive; Hendersonville, Sumner County.

WATERSHED DESCRIPTION: Surrounding land use is commercial. One unnamed Tributary to Drakes Creek bisects the property. The unnamed tributary has not been determined to be exceptional Tennessee waters. The proposed project lies within the Old Hickory Watershed (HUC 05130201).

PROJECT DESCRIPTION: The applicant proposes to construct a restaurant and retail building on the 4.16 acre parcel. As part of the proposed construction, 782 linear feet of an unnamed intermittent tributary to Drakes Creek will be relocated along the eastern and southern property lines.

The existing dimensions of channel depth of one foot and width of 3 feet will be maintained in the new channel. A 25-foot riparian buffer will be established along both banks of the relocated channel. A detailed vegetative planting scheme has been developed

A Rosgen design has been developed and will be implemented in the construction of the new channel. In addition, the Rosgen design consultant will implement the construction and monitoring of the new channel.

The applicant shall monitor the stream relocation and submit annual reports to this office for at least five years.

In accordance with the Tennessee Antidegradation Statement (Rule 1200-4-3-.06), the division has determined that the proposed activity will not result in degradation to water quality.

PERMIT COORDINATOR: Mike Lee

the record and will be considered in the final decision. The applicant's name and permit number should be referenced.

Interested persons may also request in writing that the department hold a public hearing on this application. The request must be filed within the comment period, indicate the interest of the person requesting it, the reasons that the hearing is warranted, and the water quality issues being raised. When there is sufficient public interest in water quality issues, the department will hold a public hearing.

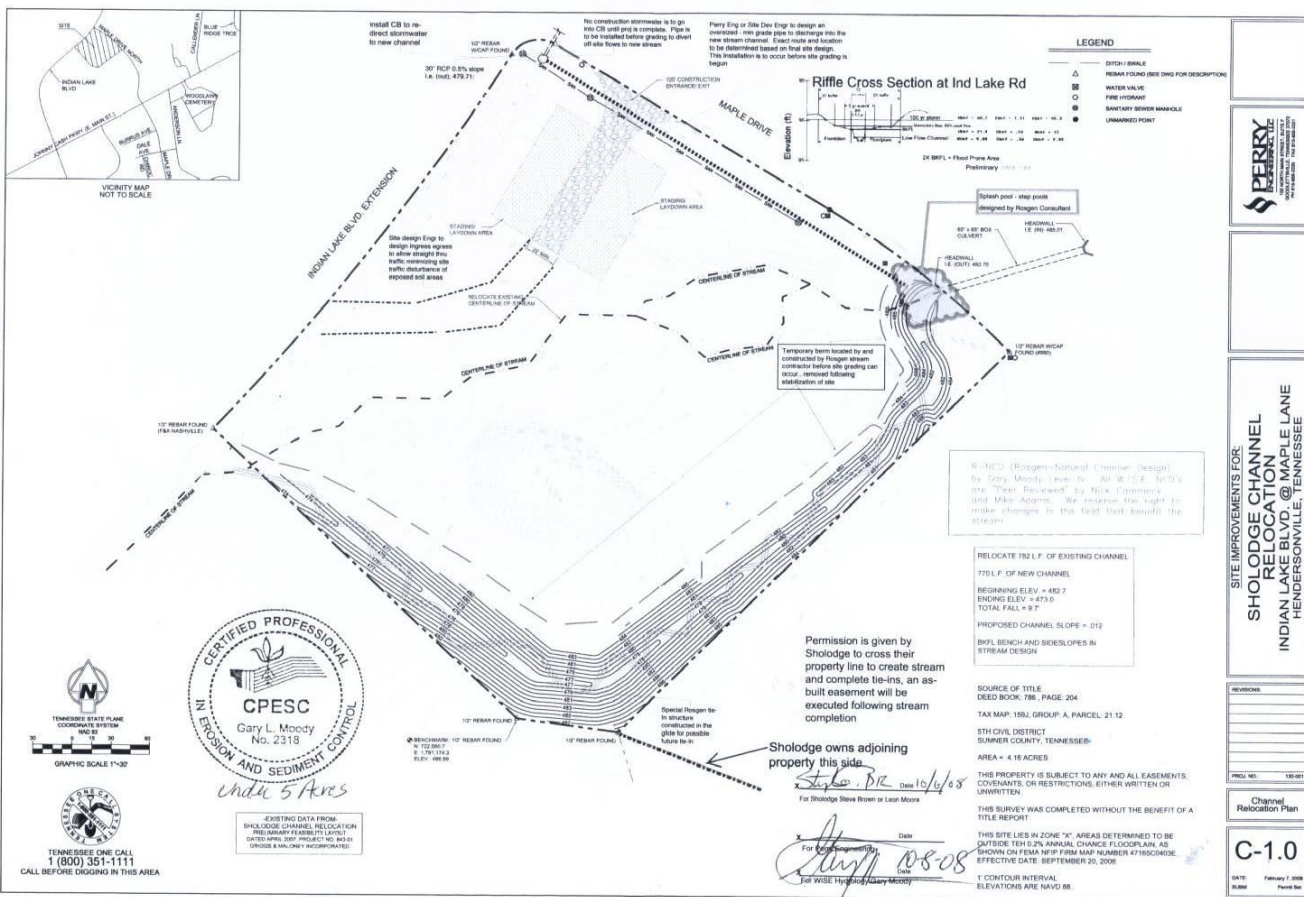

The permit application, supporting documentation including detailed plans and maps, and related comments are available at the department's address for review and/or copying. The department's address is:

Tennessee Department of Environment & Conservation
Division of Water Pollution Control, Natural Resources Section
7th Floor L & C Annex
401 Church Street
Nashville, TN 37243

In deciding whether to issue or deny a permit, the department will consider all comments on record and the requirements of applicable federal and state laws.
